Hi Mirjam,

I can confirm that Dubbo Regional Council and First Solar have commenced a level of discussion in respect of a Planning Agreement for the project. One possible mechanism of a Planning Agreement could constitute a Community Benefit Fund. However, the final system and mechanism to be included in any Planning Agreement will be developed between Dubbo Regional Council and First Solar.

Thanks

Thanks for the update, Steven.

It would be great if you could confirm via response email that First Solar and Dubbo Regional Council are in discussions regarding a community benefit fund.

Thanks,
Mirjam
