Subject: Goulburn River Solar – Biodiversity Offset Package – Road Upgrades

Dear Ms. Kramer

I refer to your submission providing evidence that biodiversity credits have been retired for Road Upgrades in accordance with Schedule 2, Condition B15 of the Development Consent for Goulburn River Solar (SSD-33964533-PA-7).

The Department has carefully reviewed the information you provided and is satisfied that the offset package is adequate and meets the offset requirements in terms of vegetation types, species and credits.

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Wayne Jones on (02) 6575 3406.

Yours sincerely
