Subject: Goulburn River Solar Farm - Traffic Management Plan

Dear Ms Kramer,

I refer to the Traffic Management Plan (Revision 03 Final dated 18 December 2024) submitted in accordance with Condition B10, Schedule 2 of the consent for the Goulburn River Solar Farm (SSD-33459633). I also acknowledge your response to the Department's review comments and request for additional information.

I note the Traffic Management Plan:

- has been prepared in consultation with TfNSW, Upper Hunter Shire Council and Mid-Western Regional Council;
- has been reviewed by Lightsource Development Services Australia Pty Ltd and no issues have been raised with the Department; and
- contains an example Transport Management Plan for over-size, over-mass (OSOM) movements (Appendix E).

As nominee of the Planning Secretary, I conditionally approve the Traffic Management Plan (Revision 03 Final dated 18 December 2024) in accordance with Condition B10, Schedule 2 of the consent.

The Department requests Lightsource Development Services Australia Pty Ltd resubmit the Traffic Management Plan for approval, via the Major Projects Portal, and include:

- any changes to staging of management plans and strategies (where relevant); and
- A project specific traffic management system for managing heavy vehicles requiring escort as required by Condition B10(e)(xvi).

The revised Traffic Management Plan must be updated and approved by the Planning Secretary:

- prior to the movement of any heavy vehicles requiring escort;
- prior to commencing construction (excluding road upgrades as detailed in the consent), upgrading or decommissioning;

- following approval of any staging request;
- following any additional consultation with TfNSW, Upper Hunter Shire Council and Mid-Western Regional Council; or
- as required in accordance with the consent.

You are reminded that if there are any inconsistencies between the Traffic Management Plan and the conditions of approval, the conditions prevail.

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Katie Weekes on (02) 4927 3223.

Yours sincerely

A handwritten signature in black ink, appearing to read 'Iwan Davies', written in a cursive style.

Iwan Davies
Director
Energy Assessments

As nominee of the Planning Secretary
