Subject: Goulburn River Solar Farm – Heritage Management Plan

Dear Ms Kramer,

I refer to the Heritage Management Plan submitted in accordance with Condition B26, Schedule 2 of the consent for the Goulburn River Solar Farm (SSD-33964533). I also acknowledge your response to the Department's review comments and request for additional information.

I note the Heritage Management Plan:

- has been prepared in consultation with local Aboriginal stakeholders, and reviewed by Heritage NSW;
- has been reviewed by Lightsource Development Services Australia Pty Ltd and no issues have been raised with the Department; and
- contains the information required by the conditions of approval.

Accordingly, as nominee of the Planning Secretary, I approve the Heritage Management Plan (Final dated March 2025) in accordance with Condition B26, Schedule 2 of the consent.

You are reminded that if there are any inconsistencies between the Heritage Management Plan and the conditions of approval, the conditions prevail.

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Vince Di Bono on (02) 8217 2089.

Yours sincerely

Iwan Davies
Director
Energy Assessments

As nominee of the Planning Secretary
