Subject: Goulburn River Solar Farm – Traffic Management Plan

---

Dear Ms Kramer,

I refer to the revised Traffic Management Plan submitted in accordance with Condition B10, Schedule 2 of the consent for the Goulburn River Solar Farm (SSD- 33964533). I also acknowledge your response to the Department's review comments and request for additional information.

I note the Traffic Management Plan:

- has been prepared in consultation with Transport for NSW (TfNSW), Upper Hunter Shire Council (UHSC) and Mid-Western Regional Council (MWRC);
- incorporates the outcomes of several traffic related requests to the Planning Secretary and a traffic management system for high-risk heavy vehicles requiring escort; and
- contains the information required by the conditions of approval.

The Department has carefully reviewed the document and is satisfied that it meets the requirements of the relevant conditions in consent. Accordingly, as nominee of the Planning Secretary, I approve the revised Traffic Management Plan (Revision 7 dated 1 May 2026).

You are reminded that if there are any inconsistencies between the Traffic Management Plan and the conditions of approval, the conditions prevail.

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Katie Weekes on 4927 3223.

Yours sincerely,

Iwan Davies

Director  
Energy Assessments

As nominee of the Planning Secretary
